Project Lay out-Subject wise-Instructions for the Project

- **Topic-Write a poem or make a poster with slogan on any one of the topics given below-:**

- Hope
- Home
- Peace
- My motherland
- Save our Earth

My motherland, she's so beautiful
and bright

She gives me home, a shelter and
light.

And we are proud of her history,
Full of struggles and victories.

We got this country from God as a
gift,
Not just to take, but mostly to
give.

Our motherland takes care of you
and me,
And only here can we stay forever
free.

We are proud to be her loyal kids,
She brings us up, teaches and
leads

She's our life, she is our best part,
She's our soul, brain and heart.

'Hope' is the thing with feathers

'Hope' is the thing with feathers—
That perches in the soul—
And sings the tune without the words—
And never stops—at all—

And sweetest—in the Gale—is heard—
And sore must be the storm—
That could abash the little Bird

That kept so many warm—

I've heard it in the chilliest land—
And on the strangest Sea—
Yet, never, in Extremity,
It asked a crumb—of Me.
