Laws are structured with in a framework as stipulated and well scripted of desired nature possibly to negate undesired behaviors. In simple words it adds a constraint over our actions and behaviors by enforcing laws as appropriate by nature so as casual effects of adverse sorts are minimized or zeroed.</p> <p>To summarize, laws makes us more civilized and ordered. Penalties as punishment are included if one defies or breaks the Law code. While the world is busy implementing all sorts of law for benefit of people same does the Modi government. In the last few years of his tenure he has evoked many laws only to benefit his people. Penalties imposed under the same are only to curtail the unnecessary and undesired acts in society</p> <p>Laws are for better administration ; provisions of safety; a guidance for society regulation in day to day existence.</p>

<p>alternatives to plastic items in your everyday life.</p>					<p>Below are scripted some laws duly enacted in the last one year. For each law as implemented in the nation and mentioned as below find out the CASUAL IMPACT and BENEFITS OR POSITIVE CONSEQUENCES. It shall unleash to citizens in due course of time.</p> <ol style="list-style-type: none"> 1. Motor vehicle Act 2. Plastic ban in Bihar act 3. Triple Talaq act 4. Prevention of Terrorism act 5.
