PUJA VACATION HOMEWORK

Class: 5

Academic Session: 2026 - 27

Date of Submission: 17-11-2026

Teacher's Note

Dear Parents,

Teachers and parents both play an equally important role in shaping a child's learning journey. At school, teachers guide, support, and nurture students by helping them understand concepts and develop essential skills. At home, parents observe, encourage, and reinforce these learnings, creating a balanced environment for growth. This strong partnership between school and home ensures that students feel supported, confident, and motivated in all aspects of their education.

Keeping this in mind, holiday homework has been thoughtfully designed to help students remain connected with their studies during the puja vacations. It provides an opportunity for children to revise what they have learned, apply their knowledge in practical ways, and reflect on their understanding. Through these activities, students can explore their creativity, strengthen their skills, and become more independent learners. With your continued support and encouragement, we hope this vacation will be both enjoyable and enriching for your child.

Important Guidelines for Parents

Kindly ensure that the holiday homework is completed in a joyful and stress-free environment.

Encourage your child to do the work independently with your guidance only when required.

Purpose of Holiday Homework:

- To revise and strengthen basic concepts taught in class.
- To develop language, motor, and cognitive skills in children.
- To promote creativity through coloring, drawing, and hands-on activities.
- To build a strong connection between home learning and school learning.
- To encourage parent-child interaction and bonding through learning activities.

We appreciate your cooperation and support in making this holiday homework a meaningful and enjoyable experience for your child.

Wishing you a wonderful, safe, and joyful puja vacation!

'WISH YOU ALL A HAPPY DIWALI & CHHATH PUJA!'
